Dear Alison Ramirez,

I would like to extend my most heartfelt gratitude towards your exemplary service and commitment as the head of the Alleys Rescued Angels non-profit organization. I am very pleased to have constituents like you doing such wonderful things within the district and community.

Personally, I want to thank you for your outstanding display of community service and compassion for abandoned dogs by rescuing them from hardship into loving homes and families. I hope this certificate of recognition serves as a symbol of our community's profound appreciation for your contributions.

Again, your efforts and hard work are an inspiration to countless community members. On behalf of the State of California, congratulations and may you continue to demonstrate the same compassion and integrity. Best wishes!

Please do not hesitate to contact me at (951) 737-1671 if I should be of any assistance to you.

In Service,
